to the Bankers in accordance with your letter No.G.5408/P.D. 11-19-13 dated 2nd September 1919 (Vide this office letter No.535-6/Books. dated 4th September 1919). Under existing arrangements the orders for the supply of materials are placed by the several departments through you and as this office has no information about the orders so placed it can neither audit nor classify the charges when debits appear in Messrs Coutts & Co's Accounts on account of sums paid by them to Messrs. Jeremiah Lyon & Co., London.

I therefore request you will be so good as to arrange for copies of all orders placed with the Firm's being sent to this office in future indicating the approximate cost, the department and the head of charge to which the cost of materials ordered is debitable. This would obviate the need for a reference being made each time to you and to the departments concerned, whenever debits for such payments appear in the accounts of Messrs. Coutts & Co.,

I have the honor to be,

Sir,

Your most Obedient servant,

Comptroller.
